Local Freeway Meet Friday Night

MIL'S MUSINGS

By Richard Milbrodt

DOG BITES MAN DEPT: Judge Hussey received a traffic ticket. For overtime parking in San Diego. We know he paid his fine, but we don't know, but would like to, if the Municipal Court judge delivered a gentle lecture along with the fine as does our Judge to local culprits.

—O—O—

NEXT TIME YOU ARE SHOPPING in Lemon Grove and wonder exactly how warm it is, we suggest a glance to the thermometer atop relator Jim Pearce's office. It is not the official gauge for this region, but it's good enough.

—O—O—

EVER WONDER WHAT HAPPENED TO THE FLAG of foreign nature that used adorn a flagpole on the north side of Broadway near College? Always flown with a U. S. flag as per regulations, the flag was the center attraction of a spacious, well landscaped yard. Quite a story goes with the flag, but the flag is no longer seen. How come?

—O—O—

HARRY HAMBER, VARIETY store man was heard singing the blues after having a tussle with his girl friend. "Everybody Loves My Gal But She Doesn't Love Everybody Because She Doesn't Know Everybody" is the name of his favorite ditty. It is not expected to reach hit parade status.

—O—O—

SECRETARY OF SAN MIGUEL School, Mrs. Marion Batchelder is ready to send her youngsters back to school now after what happened last week. Her youngest girl ran in the house after an afternoon of play and said, "Hey mother, do you want to hear a couple of dillies?" Eager to keep pace with the newest funnies, Mrs. Batchelder replied in the affirmative. Said her girl, "Dilly, dilly."

—O—O—

SLICK SIGNS SIGHTED: "Please don't hit me. Only 5 more paymets and she is mine." This was handpainted on the back of a slightly old and decrepid Model A sedan.

—O—O—

MIDGET AUTO RACING must be here to stay. On the south side of Broadway a Lemon Grove entrepenuer has installed a race track replete with ultra modern midget autos. In case you might have wondered, that is where all the kids have disappeared to lately. Only one thing wrong with the whole affair. Grown up kids don't fit in the cars very well.

—O—O—

Since we are always predicting things here, we would like to predict one more. . . happiness to those of you that despair in reading the words found in this corner each week. The end is in sight. Two more columns to be exact.

FIGHTS TO SAVE BOOK PROGRAM

APPEARING BEFORE Senate appropriations committee, Gen Walter Bedell Smith, undersecretary of state, testifies against threat of Sen. McCarthy (R), Wis., to cut off funds from U. S. overseas information program because it stocked books by Communists or authors friendly to Red Russia. *(International)*

Kiwanis - Lions Ball Game To Prove Sports Superiority?

The long awaited "fight to the finish" baseball game between the Lions and the Kiwanis has been definitely set for Sunday afternoon, August the 16th, at the junior high school baseball field just off Golden Avenue near Central, it was announced today by executives of both groups. Game time is set for 4:00 p. m. with the game going well into the night if necessary for one of the teams to score.

Rumblings of still another challenge is being heard from another service club, the Business Women's League. It is possible that the BWL will take on the winners in a game at a later date, some sports lovers believe.

The vaunted Kiwanis team will see an all preacher infield with Dr. Frank Gigliotti on first, Reverend Dan Apra on second, Reverend John Chandler, shortstop and Reverend Morris Mulkey on third. Opposing them for the Lions will be Doctor Cal "weak eyes" Nicholl on first, Bob Beck, the printer on second, Palmer Svalstad, short stop and Forrest Baxter on third. It is believed that Jim Pearce will pitch for the Lions. Kiwanis leaders are trying to decide between Judge Luther Hussey, John Landesco and Fred Wright for pitchers. Roy Lane of lemonade fame, will catch, it is believed.

Al Huebsch, Doctor Don Johnson and Henry Goldy may make up the Lions outfield.

Whether or not the Business Women's League will actually take part in the game proper is undecided but they will have part of the program in connection with the game.

The game will be played without admission charge of any sort and all sports lovers are invited to attend. Refreshments will be available at the baseball diamond.

A suitable trophy will be presented to the winning team of the Kiwanis-Lion baseball game, it was announced this week by the Business Women's League.

The trophy will be presented amid considerable fanfare in a ceremony at the end of the game.

Square Dancers Elect New Officers

The Dancin' Dudes held an election at their regular dance last Friday night and new officers will preside for the next six months.

They are: Chuck Haradon, President; Arlie Osterberg, Vice President; Deanne East, Secretary; Teresa Haradon, Treasurer; and Jack Ball, member of the advisory board.

Dale Hamilton, Master of Ceremonies, was assisted by the following guest callers: Stan Bryan, Sylvia Conkle, Pat Mouillesseaux, Art Higgins, and Walt Foster.

Guests for the evening were Mr. and Mrs. Hal Walba and Marie Even, who with her children from Albuquerque, New Mexico, is visting her sister Mrs. John Peyton.

After the dance apple pie ala mode was served. Hostesses for the evening were Anne Edwards, Eleanor McCormick, Mickey Osterberg, and Rita Stadther.

New Trailer Court Opens Sat.

The Costa Bella Trailer Villa will open Saturday, according to H. G. Thompson, the proprietor.

The two-acre tract will have 39 units and the units will rent for $25 a month, Thompson said.

LETTERS TO THE EDITOR

Editor,
Lemon Grove Review:
Dear Mr. Goodwin:

In the July 16, 1953 issue of the Lemon Grove Review, a report was made of the Lemon Grove School District Governing Board of Trustees meeting. Included in this article was a reference of the writer's description of a concrete tilt-up type construction that would cost less than $19.00 per square foot. Though this statement was literally correct, do you not think that the average reader would infer that the cost would be approximately $19.00 per square foot, rather than the cost of less than $10.00 per square foot that the writer quoted at the School Board meeting? Inasmuch as this is approximately one-half of the cost printed in your article, the reader has been misled into believing that the concrete tilt-up construction, as we had designed it, costs more instead of less than the average school being built today.

Apparently the $19.00 figure was a typographical error, and we would appreciate very much a correction in your next issue, for the benefit of your readers who are interested in lower cost in school construction.

We have made an extensive study of various types of construction, and feel that a concrete structure, using the tilt-up method will offer many advantages to the School District and the children. Lower initial cost, coupled with savings in maintenance and insurance rates, plus reduction in fire hazards are some of the advantages. Erection time may be reduced appreciably, which will permit the use of the building sooner than with conventional construction. This is an important point when parents are anxious to take their children off double sessions.

The cost of $9.93 per square foot that was quoted at the School Board meeting was arrived at in cooperation with a Lemon Grove contracting firm experienced in school construction. It was based on a five classroom addition complete with sheltered walks, daylight control and all the cabinets, etc., required to conduct a progressive educational program. The buildings would be well designed and fit in with any of the existing school buildings.

We hope this type of construction will contribute toward the efforts of your School District in seeking well built, economical school buildings.

Sincerely yours,
C. J. Paderewski
Paderewski, Mitchell & Dean, Architects.

Ed's Note:

Mr. Paderewski's tilt-up construction presentation at the June school board meeting was impressive and interesting, and he is correct in believing that the figure published was a typographical error.

We herewith set the records straight and invite the school board and taxpayers explore the possibilities of tilt-up type construction with its indicated square foot cost of $9.93.

—Max Goodwin

C of C Look Toward Xmas Trees

August is traditionally the hottest month in the year but that will not deter the Lemon Grove Chamber of Commerce in considering one of their major projects in the meeting to be held Tuesday, August 4, at 7:30.

The hot weather meeting is to consider a cold weather project "Operation Christmas Tree."

Members will evaluate ways and means of developing a Christmas decoration plan proposed by the decoration committee chairman, Robert Browne.

Several other items will be on the agenda. The public is invited.

Civic Ass'n. Recommendation To Be Given Monday

The long awaited recommendation of the greater Lemon Grove Civic Association will be made Monday night at the Lemon Grove Woman's Club House at 8:00 p. m., according to officials of the group.

This is part of a report containing additional information substantiating their stand, they stated.

The meeting is open to the public and background information building up to their decision will be given.

Lee Thompson will preside.

Nu-Way On The Move Again

Nu-Way Furniture is moving again! This time their home will be at 7904 Broadway across from the Sprouse Reitz building.

The co-owners of the business, MacDonald and Preston, have had to move to larger quarters as business improved. This is their third location so far this year.

"I think this will be our last move for some time," Charles MacDonald, the manager of the store, said. "If we expand again it will probably be in the form of a pent house."

Opening date for the new location is Saturday, August 1.

New Plumbing Supply Firm Opens

It's a new plumbing fixture at Lemon Grove's newest plumbing supply house.

Mr. and Mrs. James B. Mason examine a Dishmaster, one of the many plumbing items they will handle at their newly opened shop at 7328 Broadway.

The new firm will handle fittings and pipe, wall heaters, water softeners, garbage disposels, water heaters and will specialize in plumbing repairs and fixtures of all sorts.

Although the store is open and in operation now, a gala opening event will be held in the very near future.

School Budget Hearing Monday

There is a three-quarter of a million dollars budget up for consideration, Monday, at the Elementary School District's Administration office, 3202 Acacia St., at 7:30 p. m.

The budget calls for an expenditure of approximately $150,000 more than the budget for the preceding year.

All interested persons in the Lemon Grove area may attend this budget hearing.

A copy of the proposed budget is published in this issue of the REVIEW.

The official notice calling attention to the meeting is reproduced:

NOTICE OF PUBLIC HEARING

A public hearing will be held before the Governing Board of the Lemon Grove School District in the District Office, 3202 Acacia St. on August 3, 1953, at 7:30 o'clock p. m., at which time and place any taxpayers in the district may appear and offer suggestions, obtain more detailed information, participate in discussion or object to the following proposed school budget or any item thereof. Note that comparative data for the past and pending school years are presented below. School district services to meet changing community needs are reflected in the budget comparisons. The public is invited to attend the hearing.

CECIL D. HARDESTY, Superintendent of Schools, San Diego County

Local Singer To Head USO Program

Arvis Reed, promising young bass baritone, will present a program of songs, Saturday night in a U. S. O. floor show in San Diego.

His accompanist will be Christine Lawson.

He will also be presented on a Concert Hall program in the near future, it was announced by Fred Flannigan, his teacher.

Arvis, 15 year old Helix High student, is the son of Mr. and Mrs. Lewis F. Reed of 7943 Lansing Drive.

Whether the multi-million dollar Lemon Grove Freeway is stalled by a La Mesa public meeting which was held earlier this week, or not, the Lemon Grove public meeting will go on according to schedule, Friday night at 8 p. m. at the San Miguel school.

The meeting is sponsored by the Lemon Grove Chamber of Commerce and everyone in Lemon Grove is invited to attend it.

Department of Highway officials will moderate the meeting and E. E. Wallace, director, Ralph Luckenbach, assistant engineer, and Jack Putzer, right-of-way chief, all of the State Department of Highways will attempt to answer questions that may be asked by interested local residents.

Most questions to be asked, it is assumed, will be about the exact route of the freeway and about prices to be paid for property the freeway will run through, and when will negotiations get under way.

An unusually large turnout is expected, according to Bob Gauldin, president of the Chamber of Commerce, and arrangements are being made at the San Miguel school to take care of a large crowd.

The freeway has become partly a political humpty dumpty that has drawn in several well known politicians, observers opine.

Ed Bulen, assemblyman from the 77th district has already come under criticism for reportedly approving an alternate route that would "bob tail" the east end of Lemon Grove and probably cut through the property owned by St. John of the Cross church near Sweetwater Road on Broadway.

A surprised attack has been made on the proposed route by Senator Fred Kraft who is a member of the Senate Interim Committee on Highways, Streets and Bridges.

Observers noted that Senator Kraft used some of the phrases that have been seen in publicity releases by the Citizen's Freeway Committee which is opposing the east end of the route from Campo, Palm and Imperial avenues to a point on El Cajon Boulevard.

Most residents of Lemon Grove have indicated their satisfaction with the route planned for this community. The freeway will hug the north side of North Avenue, traveling east behind the packing houses crossing the railroad at about Grove street continuing up over the hill along American Homes to the Campo, Palm and Imperial junction. There has been no organized resistance to the original plan.

Highway Division officials indicated that should work proceed according to plan, groundbreaking in the Lemon Grove area should start within the next twelve months with the portion near College Ave. and Westerly starting in a matter of months.

The freeway will be a true freeway with no cross-overs, Hiway Division officials said. There will be access roads and clover leafs at points of vantage, they stated.

Commissioner Tilton Produces Offspring

There will be a new fireman in the Lemon Grove Fire Department soon, if son follows father like the story goes.

Paul Tilton, fire commissioner and operator of the local welding works, was about town bragging about the arrival of his third child, a boy, born to his wife, Betty, at 5:00 a. m., Wednesday, at the La Mesa Hospital.

Both father and son are doing well as is the mother who had turned in a couple of "false alarms." The Tiltons live at 2895 Orange Place and have two other children named Janete and Rodger.

'Your Newspaper Cares' - - Reed

"No substitute appears likely for the local newspaper in keeping the residents fully informed because no one cares more about its community than the local press."

That is what Carlisle Reed told a joint meeting of the Lemon Grove and the Lakeside Kiwanis Clubs last Wednesday when they met at the Lakeside Kiwanis Club House. Carlisle Reed is the publisher of the EL CAJON VALLEY NEWS and was speaking in connection with the forthcoming National Newspaper Week which has set a slogan "An Informed Press Means An Informed People."

A large turn out from members of both communities attended the meeting to hear Reed who was recently named "Mr. El Cajon" in a spontaneous movement a few weeks ago by leaders of the El Cajon community.

Reed also told the listeners of some of the hardships in producing a weekly newspaper.

"There are 6,000,000 error possibilities in each weekly newspaper," he said. "It is surprising how few errors actually appear." He also read a log of the average morning of a publisher fighting a deadline which included telephone calls from people having lost a dog to strangers wanting favors.

"It's all a part of the job of serving the community," Reed said.

Chairman of the day was Max Goodwin, publisher of the Lemon Grove REVIEW.

More Telephones Soon Says Campbell

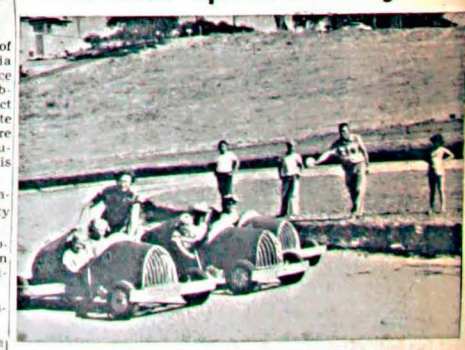
Second half of a $1,800,000 project to expand telephone facilities this year in the Lemon Grove area is underway this week, according to Manager Sidney S. Campbell.

He said the largest single job is the $800,000 expenditure for dial equipment and building enlargement of the company central office at 8270 Lemon avenue in La Mesa.

"The remaining million dollars is being spent on cable, underground conduit, poles, and other facilities that will connect our new dial equipment with telephones in the private homes," he added.

"All of these projects are scheduled to be completed coincidently with the dial equipment installation late this fall; 3,000 telephones will be available at that time throughout the exchange, including Lemon Grove, Monterey Heights, Calavo Gardens, and Lomita Village," he said. "Our expenditure for cable, alone, will run $485,000 this year."

'Race Track' Opens For Youngsters



There's an "Indianapolis" type speedway for the youngsters in Lemon Grove complete with gasoline "racers" developing one and a half horsepower. The "speedway" is the result of an idea dreamed up by Lieutenant Commander Ray Arnold (retired) who also built the autos.

Youngsters drive the racers around the track at speeds up to 10 miles an hour. The track is located on Broadway at Washington and is open daily except Monday.

Free Lemonade This Saturday

The tap will be twisted on a huge barrel of ice cold lemonade Saturday starting at 10:00 a. m. and it will run until the barrel goes dry, according to Roy Lane and Bob Browne, co-chairman of the Chamber of Commerce commitee for free lemonade this Saturday in Lemon Grove.

The lemonade give-away will be the first of a series of such days sponsired by the Chamber of Commerce in order to attract people to Lemon Grove from other parts of the county and to advertise some of the advantages that Lemon Grove has to offer.

The stunt is put on primarily for children but everyone who wishes free lemonade may have some as long as the supply lasts and it is believed the supply will run until 4:00 p. m. Business firms in the downtown area are underwriting the cost of the stunt.

Auditions Set For Serafina

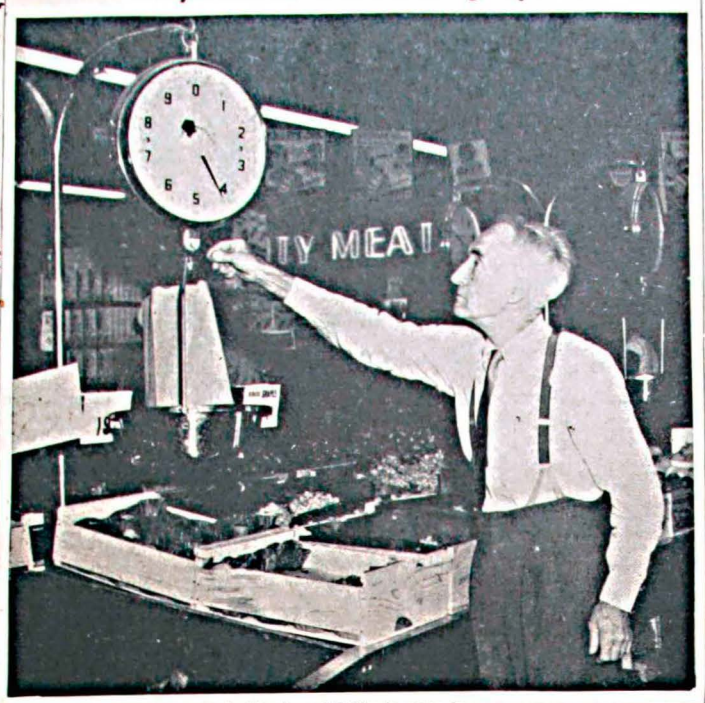
Auditions for singing roles in the San Diego operetta, "Serafina" a benefit for cerebral palsied children, will be held Monday evening, August 3 at 8 p. m. at San Miguel school.

The premier performance will be given in Grossmont Auditorium Friday evening, October 2. The play, a story about San Diego in 1829, was written by Jerome Gerard; the musical score and orchestration by Renan Prevost, with additional musical numbers by H. Adair Thomas included.

"Serafina" is a colorful operetta in two acts and four scenes, each rich in romance and political intrigue. Action takes place aboard a sailing ship in the harbor, and in the patio of an adobe residence in Old San Diego where a number of old landmarks are in a state of good repair today.

There are singing roles for adults, men and women, and for juveniles. All are welcome to take part in this worth while benefit for the Cerebral Palsy Foundation of San Diego, and endorsed by a number of service clubs.

Roby Likes Davis And Smiling Reporters



LOCAL PHOTOS BY A & E JESSEN

"Annie and I like to come to Davis Market to shop. Annie is my wife." So said Roby C. Day of 112 Lois Street.

"We come here every two or three weeks and load up. Why do we come here? It's because it is a pretty good place to shop. I like the enlarged parking area in particular and most of all we've no complaint with the personnel. They are all so friendly. Why even the reporter who is asking me this foolishness is wearing a smile. We just like Davis' Market, period."

Davis' Market is open 7 days a week and is located on Broadway at Olive. —Adv.

Date Palm Trees... Another "First" for San Diego

One might assume from the wealth of date palms throughou the Southland that they were natural to this region. Not so, how ever, and here again San Diego claims another "first"!

Dates were brought to this area by Father Serra and his party in 1769, both for food and for seeds. The first trees were planted at the foot of Presidio Hill in 1769 . . . before the days of th Revolutionary War.

This photograph, from the historical collection of Union Titl Insurance and Trust Company, shows the two original Serra palm at the turn of the century. A white picket fence had been buil around them to protect them from the knives of careless carvers The tree on the right was toppled by a high wind in 1915; the on on the left still stands—now almost two hundred years old.

If the Padres planned on the trees furnishing them food, the were doomed to disappointment; not until 100 years after they were planted was the first crop of dates harvested.

"Torch-Bearers" Opens In La Mesa

"The Torch Bearers", a three-act satire by George Kelly opened Wednesday for a four-night run at La Mesa American Legion Hall.

Ticket information for this summmer presentation of the Town and Country Players may be obtained by calling Mrs. Niebrugge, H6-8056.

"The Torch-Bearers" is a play within a play—a take-off on the deadly seriousness of amateur players yearning for expression and yen of many men and women to produce plays. It is one of the most popular pieces in the repertory of little theater groups for its delicious humor appeals to the very persons at whom it is poking fun.

The first act opens in the drawing room of Mrs. Ritter where a rehearsal is to be held. As the rehearsal progresses it provides clever character delineations.

The play is one of constant movement and surprise dialogue and clean, delicious humor guaranteed to bring a laugh to any but a person utterly devoid of a sense of humor.

All in all, "The Torch-Bearers" is a worthy vehicle to bring to La Mesa playgoers. Long hours have gone into its rehearsal as it is not an easy vehicle to handle. The success of the production will rest largely in the hands of the director, Jerry Gerard wha has had his hands full in working out the business for a play in which most of the players are on the stage all of the time.

Past Present and ?

By Robert Turnbull

For my closing article on the sports world of Helix High I would like to tell on one of the most talked about sports and the least talked about. Track and tennis!

This year's tennis team received hardly any recognition, but we should tip our hats to them for taking a second place in City Prep League Standings. And the best news is yet to come, only two men graduated from the squad. The experts predict us to take it next year. Those returning are: Ron Bourbiel, Bob Tilling, Bruce Adams, Leland Sweenes, Bob Marrs, Jay Elston, Gail Stuckey, Frank McCabe, Gordon Moore, Dale Cummings, Bill Adams and Don Harriman.

This year's track team certainly improved far better than it was in '52. Larry Williams, Dick Young, Bob Anaya and Wally Kolberg plus the B 660 relay team (consisting of Williams, Don Ahrensberg, Ed Perkins and Young got as far as the Semi-finals at Chaffey this year. Larry Williams, put the B shot 50' 6" to cop the City League championship at our annual City finals and placed fifth in the SCIF finals. Young, B 100 yard dashman; Anaya, varsity half miler; and Kolberg, varsity broad-jumper all placed at the SCIF preliminary meet but were, shall we say, exterminated at Chaffey. Although the Helix thinclads won only one meet (the first one in our history) things look better as the years go on. We think the Varsity line-up will look something like this for next year: Dick Young, 100 and 200 yd. dashes; Stan Davies, 220 and 440 yd. dashes; Rudy Sotelo, 880 yd. run; Pete Dressen and Bill Hire, mile run; Jim Weldon, 120 high hurdles; Neal Curtis, 180 yd. low hurdles; Neal Curtis and Henry Bonilla, high jump; Larry Williams and Jim Cranker, Broad-jump; Danny Ahrensberg and Dick Stillings, pole vault; Ed Stemen, Karl Jordan and Larry Williams, shot-put; with the 880 yd. relay team probably made up of Williams, Curtis and Davies and Young.

The following list of Highland lads are ones that should bolster under the star already named, in other words, we should see something out of them, they are exeperienced. Howard Hawkins, Bill Bloom, Jerry Rhoades, Paul Mashner, Frank Loveday, Bill Huskey, Bob Merada, Doug Beels, Don Ahrensberg, Bob Turnbull, Ed Perkins, Bob Adams, Bob Withem and Don Steiger. Only time will tell!

Son Of Grove Woman Gets $9,000 Fellowship

Mrs. J. W. Estabrooks of 7682 Central is contemplating a visit with her son, Earl Cody, and his family in Seattle, Washington sometime this fall in order to congratulate him in person upon his reception of a Fellowship from the Ford Foundation.

Earl has been studying at the University of Washington under the G. I. bill and this year received his Ph.D. in Far Eastern History and Languages. This $9,100 Fellowship Award will entitle him to an eighteen month period of research and training at the University of Japan during which time his wife and 4 year old son will reside in Tokyo with him.

Mr. Gody received his B.A. and M.A. at the University of Nebraska at Lincoln.

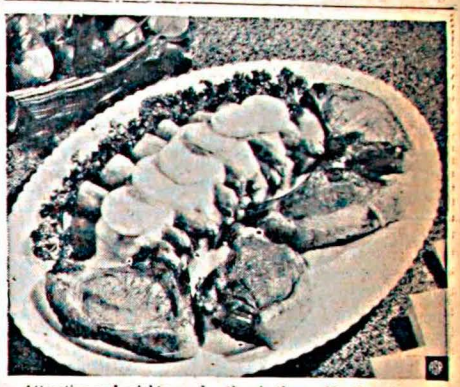
7846 BROADWAY —::— Opp. Piggly Wiggly
LEMON GROVE DEPARTMENT STORE



Attractive and mighty good eating is the combination of canned asparagus served with a tart, lemon Normandy Sauce and good thick pork chops.

Enjoy the convenience and variety of flavorsome canned vegetables. Budget watchers will especially appreciate finding that prices have remained low. In fact, the canned food dollar today is worth more than other food dollars. So reach for a canned vegetable to round out the meal.

Asparagus Normandy With Pork Chops

1 No. 2 can asparagus spears	1 tablespoon lemon juice
Light cream	¼ teaspoon Tabasco
2 tablespoons butter, or margarine	Salt and pepper
	4 pork chops
2 tablespoons flour	1 hard cooked egg

Drain liquid from asparagus and boil down to about a third. Add enough cream to make 1 cup liquid. Melt butter and stir in flour. Add liquid and cook until thickened, stirring. Remove from heat and add lemon juice, Tabasco and seasonings to taste. Arrange heated asparagus and cooked chops on platter. Top asparagus with sauce and garnish with sliced egg. Four servings.

TRY: Spinach Normandy with Broiled Canadian Bacon
Green Beans Normandy with Juicy Hamburgers or Meat Loaf

Snappy Cheese Sauce Partners

Use the recipe for Normandy Sauce but leave out the lemon juice, and add a half cup grated sharp cheese and a fourth cup diced pimiento.
Corn in Snappy Cheese Sauce with Country Fried Chicken
Peas in Snappy Cheese Sauce with Fried Canned Ham Slices
Lima Beans in Snappy Cheese Sauce with Broiled Slices of Canned Luncheon Meat.

Grove Little League Team Takes First Three Games

The Lemon Grove Merchants baseball team competing in the fourteen year old and under class got off to a flying start in the La Mesa-Lemon Grove League by winning their first and second game with scores of 19-4 and 14-3. Keith Hall pitched a no-hitter in the opening game.

Box Scores:

	R	H	E
Fletcher Hills	4	0	4
Lemon Grove	19	13	0

Batteries: Eddy and Whelchel; Hall and Jernigan.

	R	H	E
La Mesa Merchants	4	0	4
Lemon Grove	14	6	1

Battries: Earnest and Levy; Hall and Jernigan.

All games are being played at Lyle Field in La Mesa. Game time 1 p. m. League play will end August 15.

The Lemon Grove team looked like big leaguers in their white uniforms with scarlet trim, scarlet caps and sox. The boys, coach and parents wish to thank the following sponsors: for their backing: Hall's Service, Ernie's Cabinet Shop, Scotty's Drive-In, Browne's Appliances, Russell's, Lemon Grove Linoleum, Lemon Grove Sporting Goods, Lane's Men's Wear, Petite Shop, Louis Granger, Plumbing. Each sponsor was contacted by the players who alone secured the necessary $15.00 fee. There are still 40 players without uniforms but the future looks bright with the possibility of a separate league being formed here in Lemon Grove. All equipment will be cleaned and stored for an early start next season. All funds are handled through a checking account by Mrs. Thomas Welbaum, temporary secretary and treasurer. All checks should be made out to "Lemon Grove Little League." Following the National rules all funds will be audited each year.

The following boys have been selected for the Lemon Grove midget team (14 yr. and under): Keith Hall, P. D. Jernigan, Larry Hutton, Jim Welbaum, Ronnie Mulder, David Newell, Gary Whalen, Elmo Nosari, Phil Clark, Roger Wright, Ronnie Young, Ray Kygar, Larry Yost, John White, Bill Cabral and Charles Taylor.

Game Schedule:

Saturday, Aug. 1 — Lemon Grove vs. Fournier's.

Wednesday, Aug. 5 — Lemon Grove vs. Fletcher Hills.

Friday, Aug. 7 — Lemon Grove vs. Fournier's.

Monday, Aug. 10 — Lemon Grove vs. La Mesa Merchants.

Monday's results:

Americus	000	001	1—2	6	2	
L. G.	010	001	1—3	3	0	

Batteries: Browne and Dunn; Hall and Jernigan.

PURGE BERIA AS 'TRAITOR' IN RED SHAKEUP

DENOUNCED AS "TRAITOR," Lavrenti P. Beria (left), head of Soviet Russia's dread secret police, is ousted from Communist Party by Premier Georgi Malenkov (right), whom Beria nominated as successor to Josef Stalin following Stalin's death. Startling move is regarded as part of Malenkov's plan to become undisputed boss of nation. *(International Soundphoto)*

Jones Award Made To Top County Hospital Intern

Dr. Billie J. Moore, intern whose treatment of polio patients at San Diego County Hospital has won praise from members of the hospital staff, became the first person to win the H. H. Jones Polio Award. The award, a fine wrist watch with a sweep second hand suitable for medical use, was presented to Dr. Moore at the 22nd annual meeting of the hospital staff. A native of Kansas, Dr. Moore was graduated from the school of medicine at the University of Kansas. She plans to remain at County Hospital as a resident in medicine and pediatrics and at present is the only woman on the hospital staff.

H. H. Jones, Jr., known to his friends as "Knobby," died of polio in 1948. He was stationed here as an Air Force pilot and After his death some of his friends set up a polio fund in his returned at the end of the war to enter business in San Diego. memory. Donations rolled in from many parts of the country, and one of the chairmen of the fund, a local bank executive, invested the money. Since then the fund has been accumulating and this year for the first time it has earned enough to make an annual award possible.

A committee of doctors, each representing a different field of medicine, was appointed to select the recipient of the award. They explained the terms of the award required it be given to the outstanding first-year intern, and that it was only a coincidence that Dr. Moore had distinguished herself in work with polio patients. "She received the watch because of the general excellence of her work and because she is an outstanding person," a member of the committee stated.

A watch will be presented each year to the top County Hospital intern from the earned income of the Jones Fund. Trustees expect that, as it continues to increase, a cash gift may be added in years to come. Some day doctors will conquer polio. One of these doctors may carry a watch with the name of H. H. Jones.

Local CPA Takes On Big Job

Bert Betts, C.P.A. of 7221 Broadway, has been awarded the job of auditing 48 of 65 school districts in the County. The districts range from San Onofre inland to Borrego. It is believed that this auditing job is twice as big as any other public audits attempted in the County.

Auditing of funds of the San Diego County Superintendent of Schools office is included in the assignment.

New school law makes it mandatory for audits of school districts to be made by independent accountants.

Betts opened his office in Lemon Grove 3 years ago and recently opened another in Pacific Beach. Meanwhile the staff has grown from 3 to 8 persons.

Ohioans Visit Grove Couple

Mr. and Mrs. Thomas Welbaum (he's coach at Helix) of 1781 Dupont Drive are awaiting the arrival of his mother, Mrs. C. R. Welbaum of Akron, Ohio who arrives here for a two weeks visit August 2.

Mrs. Welbaum will re-live past days when she sees her grandsons Tom and Jim play American Legion and Little League baseball as her father Tom Nicholson of Bellaire, Ohio was a pro ball-player with Detroit. It will be her first trip to California and the family are sure she will share their enthusiasm for the State and Lemon Grove.

SABRE SETS NEW SPEED MARK

STREAKING OVER SALTON SEA at average speed for three kilometer course of 715.7 mph, Lt. Col. William F. Barns sets new world speed record in this F-86-D Sabrejet. Old record, in similar type plane was 698.5, made Nov. 19, 1952. *(International)*

Grove Kids In Varied Recreation Program

This week will wind up the summer recreation program at Monterey Heights School.

From 35 to 80 children have taken part in various craft activities including lamp making (wood and plastic), slipper socks, plastic figurines, and decorated flower jars.

Trips and excursions included fishing at Lake Murray, bicycling to Sweetwater Lake, roller skating in El Cajon, movies at the Grove theatre, and swimming in Mission Bay. From 75 to 250 children participated in each of these trips.

The program has been under the direction of Mike Calderone. Lemon Grove school teacher. Assisting Calderone were Mrs. Phyllis Bailey, also a local teacher, and Jim Berube, Helix High student. Several parents were very generous with their assistance, but additional parent supervision would have resulted in an even more successful program.

Financing was equally shared by the County Recreation Department and the Lemon Grove School District. A nominal fee was charged children to cover miscellaneous expenses.

Charity Days Cards Set For Del Mar

Plans for the three charity days of racing to be presented during the current season here have been formulated, according to Kenneth A. Nairne, president of Del Mar Charities, Inc.

Meanwhile, a fast field of sprinters was lining up for the $10,000 added Bing Crosby Handicap, six-furlong feature of Saturday's nine-race card. The Crosby is named for Del Mar's founder.

The charity days will be sponsored by three of San Diego's most prominent women's social service clubs. First charity day will be on Monday, Aug. 10, with the Junior League of San Diego spurring interest in the program to swell funds for their many welfare works.

Las Patronas of La Jolla will add impetus to their charity day, to be held Tuesday, Aug. 25 with the Social Service Auxiliary of San Diego sponsoring the final welfare day on Tuesday, Sept. 8.

All of the proceeds from the track's share of the pari-mutuel wagering, profits from concessions, admissions, parking, program sales and other forms of revenue, above actual operating expenses, will be turned over to Del Mar Charities for distribution to worthy groups in San Diego County.

Welcome Wagon Hostess To Begin Calls

Local Welcome Wagon hostess, Mrs. Lawrence Herder, will start making calls on Lemon Grove new residents beginning this week, she stated today.

Welcome Wagon is a nation wide organization developed to help integrate newcomers to the new community and to introduce local business people to them.

NOTICE OF PUBLIC HEARING

A public hearing will be held before the Governing Board of the Lemon Grove School District in the District Office, 3202 Acacia St. on August 3, 1953, at 7:30 o'clock p. m., at which time and place any taxpayers in the district may appear and offer suggestions, obtain more detailed information, participate in discussion or object to the following proposed school budget or any item thereof. Note that comparative data for the past and pending school years are presented below. School district services to meet changing community needs are reflected in the budget comparisons. The public is invited to attend the hearing.

CECIL D. HARDESTY, Superintendent of Schools, San Diego County

Ginger Jellied Tuna Salad

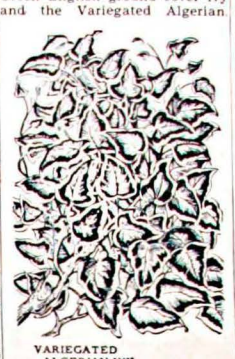
2 envelopes unflavored gelatin
½ cup cold water
2 cups hot pale dry ginger ale
¼ teaspoon salt
1 tablespoon lemon juice
1 7-oz. can tuna, drained and flaked
½ cup diced, peeled apples
½ cup broken walnut meats

Sprinkle gelatin on cold water. Dissolve in hot pale dry ginger ale. Add salt and lemon juice. Chill until consistency of unbeaten egg white. Fold in tuna, apples and walnuts. Spoon into large mold which has been rinsed in cold water. Chill until set. Unmold on chicory. Makes 6 to 8 servings.

Ivy and Ground Covers Perennial Eye Pleasers

For the Lemon Grove gardener who wants a permanent solution to a problem area, use one of the many ground covers generally available in California nurseries as flat grown transplants.

Ivies are widely used as lawn substitutes and for walls and banks. Most popular are the Green English ground cover ivy and the Variegated Algerian



VARIEGATED ALGERIAN IVY

They do well in Lemon Grove full sun and will establish on the steepest banks. For shadier locations Hahns ivy and Green Algerian ivy are recommended.

Lippia repens, a tight growing perennial ground cover, is covered with sweet-scented, lilac-colored blooms during the summer. The flowers are a favorite of bees, so lippia is not recommended for homes with children. Otherwise, except when dormant in mid-winter, it is a fine perennial ground cover.

Irish moss is an od time favorite for shade areas. A delight to walk on, it requires considerable attention to keep in good condition. Handled similarly to dichondra, it has long been tabbed "the perfect lawn" since it needs no cutting and presents such an inviting deep rich green carpet.

Vinca minor is a tidy perennial ground cover best used in a woodland setting or some area with little trampling as it crushes easily. Its deep green foliage an dsoft blue blossom has great appeal.

For full sun exposure such as in open curb planting. Floribunda ice plant or verbena erinoides are excellent. Also Ornamental Strawberry (Fragaria chiloensis) and the wide family of gazanias. For gardening pleasure, plant a perennial ground cover. Transplants will fill out amazingly in one summer's growth.

Dates Set For 1954 Fair

Dates of the 1954 San Diego Fair here are June 25 through July 5, the 22nd District Agricultural Assn. has announced. The Fair will run 11 days instead of the customary 10. Reason for this being the Fourth of July will fall on Sunday, hence it will be celebrated the following day—date set for the fair's closing.

A thorough study of the Junior Fair auction will be made wi in the next few months, F Manager Paul T. Mannen Directors of the 22nd L Agricultural Assn. are plann to huddle with FFA and Club leaders to work out a p for limiting the number of a mals to be sold. "This summ sale took more than seven ho to conduct," Mannen poin out, "making it difficult to h buyers for this long peri time." Under present rules, e youngster is allowed to sell t animals.

Lions Join Safety Council

The Lemon Grove Lions Club unanimously endorsed the National Traffic Safety Council program and committed each member of the organization to a membership it was announced last week.

The Safety Council is a county wide organization operated expressly for educated citizens in traffic safety.

Ford Award Given To Grove Youths

Two Lemon Grove high school students are among the 1,592 award winners in Ford Motor Company's 1953 Industrial Arts Awards program.

The two local winners are Dale Paquin, 19, of 1905 Eldora Street, and Ken Riley, 16, of 2188 Eldorada. Both are students at Helix High School.

Dale Paquin won a $60 third award in the ceramics division with a bowl. Ken Riley received a $20 honorable mention award for his ceramics division entry, a bowl.

More than 700 award-winning entries will be on display at Greenfield Village, Dearborn, where thousands of sight-seers will view them until July 26th. Winning projects later will be displayed at the Chicago Museum of Science and Industry during the National Industrial Arts Awards Fair, August 8th to September 30th.

Awards totaling $45,000 were presented students in vocational education and industrial arts classes whose projects were chosen as the best from more than 5,000 entries. Projects were submitted by students from all over the U. S. and its territories.

Whitteds Return From Vacation

Leland and Marian Whitted 2215 Sweetwater Road, have returned from a two weeks vacation at Tahoe, Reno, 'Frisco and Pacific Grove.

Marian operates Whitted Spring Valley Beauty Shop while Leland is assistant manager of Mason's Feed Store on Imperial Avenue in Lemon Grove.

Mrs. Huebsch Recuperating

Mildred Huebsch, 3007 Buena Vista, who with her husband operates the Grove Cleaning Company on Main Street, has returned from the hospital for an appendicitis operation, Al reported early this week.

She is recuperating and will be up and about very shortly, he reported.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.
Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

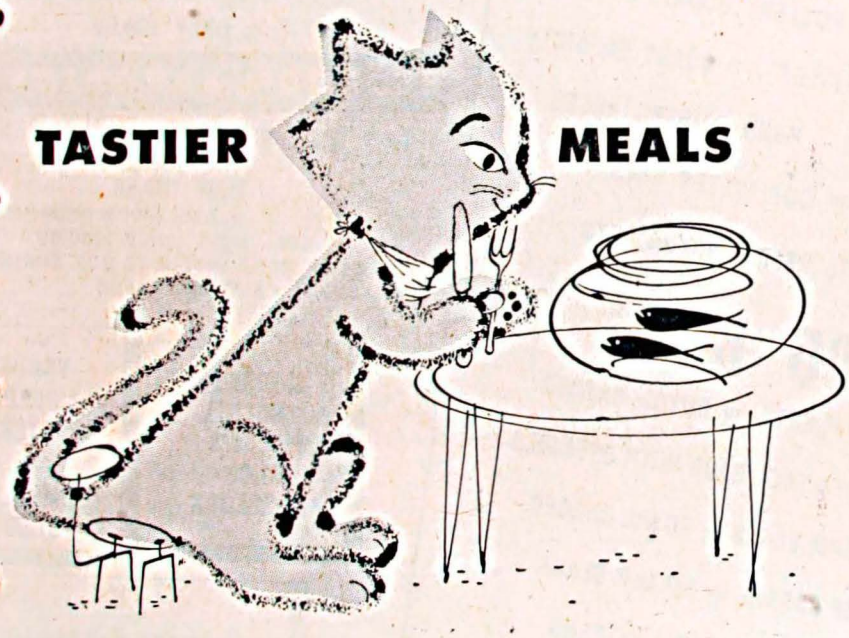
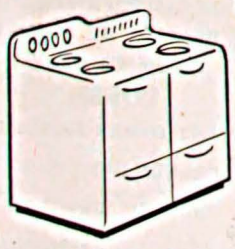
TASTIER MEALS



JUST ONE OF 9 REASONS TO CHANGE TO A NEW *ELECTRIC* RANGE!



AN ELECTRIC RANGE — THE MODERN RANGE FOR YOUR MODERN KITCHEN

The test of the cooking is in the taste – and believe us – you're going to become a better cook automatically when you change to a new electric range.

Everything tastes better – because you cook with almost no water – and that preserves the tasty juices and wonderful flavors of meats, fruits and vegetables.

Of course, there are 8 other just-as-important reasons to make the change. Let's read them: 1. It's cool. 2. It's clean. 3. It's healthful. 4. It's modern. 5. It's thrifty. And then add these other three good reasons... an electric range is automatic... dependable... and it's speedy.

Go modern, now. Make life in your kitchen better 9 ways. Change to a beautiful, new electric range – pride of any kitchen. See your dealer for all makes – and models – and easy, easy terms.

Reddy Kilowatt, your electrical servant says – "Big washes call for plenty of hot water . . . and an electric water heater will give it to you quickly, easily, safely.

SAN DIEGO GAS & ELECTRIC COMPANY

Lumber Firm Totals Nearly A Century of Service

Familiar faces and beloved landmarks. These are the things that indicate dependability.

Dependability is part of the major stock in trade of our firm and certainly it makes up part of any firm that is highly respected and trustworthy.

True, we deal in lumber, cement, paint and hardware items too but none of these is any better than the dependability of the firm offering them for sale.

Dependability is largely made up of permanence of our firm's employees, their friendliness and their loyalty. Here are some of Lemon Grove Lumber's employees which proves our point.

The efficient secretary of Lemon Grove Lumber is Ruth Schulte. Ruth has been smilingly greeting our patrons for more than 15 years. She is also a notary public.

Ernest Sunbury, a partner in He has the firm. been with the firm as long as Ruth and is always anxious to help every customer.

Jimmie Dougherty of the pleasant Irish smile. Our counterman for more than seven years. No one comes into contact with Jimmie without a feeling of pleasantness.

More years than even we care to admit is Hank Lange's service in California lumber circles. Not all of his time has been spent here but he is a mighty important part of our operation.

Our no. 1 driver is Paul Redlein who has driven for us seven years. With one of the most impressive safety records in Lemon Grove. Redlein has contributed considerably to Lemon Grove Lumber's record of dependability.

Our No. 2 Driver

Clarence Dunn is a local product and has been with us two years while

George Cox, yardman, a long timer in the business, has been with us three years

Kent 'Pappy' Knapp has had a varied and interesting lumber experience in Lemon Grove and La Mesa but he is now one of our up-and-coming associates.

All of this amounts to a lot of years of experience in the lumber business which is another way of illustrating "dependability."

We have a fine group here. Each employee believes we have the town's finest patrons. I think so too.

"Highland Lads And Lassies"

Robert Turnbull

Helix high is proud to announce that most of its representatives are home. Of course these so called repreentatives weren't actually representatives, do 'ya dig me? They were really Lads and Lassies that have come home from their trips, vacations, etc. But I'm sure that the name of Helix was dearly mentioned from the blast furnaces of the steel mills in Chicago, to the wind-swept grass plains of the capital of the "Yew nited States" Texas. First on the agenda is a local gal that has her house on Church Street; she answers to the name of Marlene Apple.

Marlene and her folks left on June 26, heading for Oklahoma and Kansas. They spet a few days in each state, visiting relatives and on the way to and fro they saw many nationaliy known sights. Carlsbad Caverns, Grand Canyon, Mesa Verde's Pueblo Dwellings, Painted Dezert and the famous Kansas Rodeo were some of the sights they took in. Even just driving on tne American highways was of some interest. Mother Nature provided them with such animals as deer, rattlesnakes, squirrels and road runners to almost hit. Marlene got back exactly two weeks after starting out.

Another local guy is a real die-hard westerner, a Texan the name of Jay Elston labeled on him. In the latter part of June Jay and his folks started out for, guess? Yeah, Texas. They also went to visit relatives and to see the "wide open spaces, out where the cactus grows". Their trip was only a week so not much could be said about the time they had, 'cept everyone knows on how 'tall tales originate from Texas. Jay told me while camping on the way there one night, he saw two beady eyes glaring at him, thinking it was most likely a wild-cat he grabbed his shooting iron and fired right from his hip smack in the center of them eyeballs. When he went over to bury his kill, it warn't thar. He tole me as soon as his six-shooter roared the eyes plit and high-tailed it in opposite directions. His folks, also Texans, seem to think that it was two one-eyed mates standing side by side and Jay's bullet whipped betwix 'em. What do you think? Another question I'd like to ask a Texan but they seem to evade answering me is that since everything is the best and biggest in Texas, "Does Texas have the tallest or the shortest midgets." Jay, too, has his spread down on the pan-handle of Church street.

Marge Hadzima, an ex-Lassie Junior, visited us from Chicago where she is now working. Marge lived in Spring Valley and left Helix at the semester to Chicago. Marylyn Sharp left Helix near the close of the school year to go to Indiana but has returned home in La Mesa.

"Love" Is Christian Science Sunday Topic

That God is Love and that Bod's love makes man vital, strong, helpful, and protective is pointed out in the Lesson-Sermon on "Love" to be read in all Christian Science churches on Sunday. The Golden Text from II Corinthians (13:11) reads, "Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you."

From Luke's Gospel (10:33-35) is taken Jesus' parable of the good Samaritan. He finds a traveller who has been robbed and beaten and none would help him. "But a certain Samaritan," says Jesus, "as he journeyed, came where he was: and when he saw him, he had compassion on him, And went to him, and bound up his wounds . . . and brought him to an inn, and took care of him." And when he departed, he said to the host, "Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee."
